

Details:

There are a few small changes from 2015.

- As usual, we report at 1:00 PM, set up, warm up.
- At 2:00 PM we begin our prelude, up to the ceremony beginning at 3:00 PM. If necessary, we will also rehearse with the student singing SSB.
- At a few minutes before 3:00 PM, on cue, we begin the Pomp and Circumstances processional.
- There are fewer graduating and they have cut out some parts of the ceremony, so the processional and ceremony as a whole will be shorter.
- After the ceremony, we play the recessional as usual.
- There will be NO reception afterward, but we are to play shuffle music for about a half hour after the recessional while the crowd disperses.
